

## Policy Guidelines for the approval and distribution of Town Council General and Environmental Grants

1. The Town Council is prepared to consider applications for financial assistance from properly constituted:
  - (a) Clubs and societies.
  - (b) Voluntary bodies and associations.
  - (c) Non-profit making organisations.
  - (d) Charitable bodies.
2. In order to qualify for assistance, applications must demonstrate a direct benefit to the Keynsham Town area, or any part of it, or all or some of its residents. In addition, the direct benefit accruing must be commensurate with the expenditure to be incurred. Local groups that are affiliated to regional or national organisations will qualify provided the local group is required to function substantially as an independent financial unit.
3. Applications must be made using the Town Council's General and Environmental Grant application form and must be accompanied by the appropriate supporting information requested in the form. Incomplete applications will not be considered and will be returned.
4. Applications may be submitted at any time and will be considered at the meeting of the Town Council's Grants Committee on **Wednesday 12<sup>th</sup> June 2024** providing that the application is received at the Town Council Offices 15 – 17 Temple Street, Keynsham, Bristol, BS31 1HF by the closing date which is **Friday 10<sup>th</sup> May 2024**.
5. The primary intention of the Town Council's grant scheme is to support new events, projects, to purchase items and for environmental & sustainable projects in the town and **the maximum grant payable to any one organisation will be £1,100**.
6. The Town Council Grants Committee will assess each application and decide whether to support the grant application from either the **General Grants award budget of £21,350** or through the **Environmental Grants award budget of £17,500**. There is no guarantee that a grant will be awarded from either budget.
7. Grants will not be given to organisations for the promotion of political or religious beliefs or for illegal activities.
8. Grants or donations are not payable to organisations or charities operating abroad.
9. Grants or donations cannot be utilised to "sponsor" named individuals, e.g. aspiring sportsmen etc.

10. Where a grant is awarded towards a capital project, the organisation concerned should be able to demonstrate that it has clear plans for raising the remainder of the necessary finance.
11. Where a grant is given towards the purchase of equipment or as a contribution to building works etc., the grant will only be paid once an invoice has been received from the organisation concerned, or upon the production of other equivalent evidence to the satisfaction of the Town Clerk.
12. A condition of any grant is that the Town Clerk reserves the right, on behalf of the Council, to inspect any purchase of furniture and equipment, etc, or any building work that has been carried out, to verify that the grant has been used for the purpose authorised.
13. Any changes to how an allocated grant is spent will be at the discretion of the Town Clerk and the Chair of Grants Committee, and there will be no need to refer these changes back to the Town Council.
14. Where a "starter grant" is provided, the Town Council will need to be satisfied that the organisation concerned has proposals to become self-supporting.
15. Organisations applying will need to provide a set of audited accounts for the previous financial year (except in relation to new organisations).
16. The Town Council reserve the right to withdraw or reclaim any monies given if the eligibility criteria for, and conditions relating to grants have been breached.
17. In the case of a successful application, the financial assistance must be taken up during the financial year (1 April 2024 to 31 March 2025) in which the Committee approves the application.
18. Committee meetings are open to the public and representatives of applicant organisations.
19. Grants will not be paid where the service is normally provided directly by a principal Council, the Health Authority or Central Government.
20. Private concerns operated as a business to make a profit will not normally be granted aid, unless there is demonstrable benefit for local employment.
21. Grants will not be made to charitable trusts seeking to add to their capital investments.
22. Local groups whose total fund raising is sent to their central headquarters for redistribution will not be assisted.
23. Grants will not normally be given to profit making organisations with unallocated reserves.
24. Successful grant recipients will be expected to complete and return a short report detailing how their grant award monies were spent.
25. Applicant organisation should provide evidence of adopting and following the ethos of a single use plastics policy and where possible limit the use of single use plastic-based products in its activities.

26. Successful applicants will be expected to attend the Grants Presentation Evening to give a brief description of their organisation and the grants purpose. This will enable them to raise their profile and encourage networking with other Keynsham groups.
