T
S

Hello Keynsham and a special welcome to new readers who have joined us in our amazing town.

We are looking forward to a great summer with a whole range of community activities. Our annual Music Festival launches Monday 25 June culminating in a musical bonanza in the Park on Sunday 1 July. This year again reaches new heights with an evening of jazz in the Chocolate Quarter on Wednesday and a full opera La Boheme in the Memorial Park on Thursday. To see full details please go to the KMFA website: www.keynshammusicfestival.co.uk

On Saturday the Festival will commemorate the appalling 1968 Chew River flood which caused devastation in our town and the very sad loss of three lives. A revival of the community musical 'Bridge across the Flood' will take place on the Park bandstand complete with a surprise demonstration of the height reached by the floodwater. On the following Tuesday 10th July your Town Council is working with Keynsham Local History Society to erect, in the Park, the County Bridge Stone recovered from the flood as a permanent memorial to events fifty years ago.

Meanwhile work proceeds apace with the £7 million refurbishment of our Leisure Centre and the conversion of B&NES old office block in Temple Street to apartments. Despite the further disruption to traffic, when complete, this will provide a vibrant business and social street from St Johns to Albert Road.

You will recall 'Keynsham in Bloom' who bring so much colour to our community organised a bike trail last year that created tremendous interest from a large number of visitors and residents young and old. This year the theme will be scarecrows so stand by for a new range of surprises across the town.

Finally we have been working with new group Keynsham Community Spirit, B&NES and the Police to eradicate any further unacceptable antisocial behaviour. This seems to be making good progress with the community working well together – a typical Keynsham reaction to a problem!

An advance note for your diary that our Police and Crime Commissioner Sue Mountstevens will attend the Keynsham Forum in The Space 6:30pm on Tuesday 25th September.

Enjoy the sun.

Up to £28,591 basic
(not inc. enhanced rates)

For more information or request an application form, please visit www.sirona-cic.org.uk or call the Recruitment Team on **0300 1245444**

NEIGHBOURHOOD DEVELOPMENT PLAN

Last year, the 5 NDP Topic Groups discussed many issues relating to Keynsham in the following areas:

- Roads, Transport, Parking and Infrastructure
- Recreation, Leisure, Sport, Health and Community Education
- Sustainability, Environmental and Ecological
- Heritage, Culture, Tourism, Marketing and The Development of the Built Environment

The Community Consultation was undertaken at the end of 2017, and we have been working hard to analyse the results. A draft report has been completed, and this will be published in the near future.

NDP Chair, Cllr Clive Fricker said, "It's important to remember that the NDP gives local residents (for the first time) the opportunity to affect planning law – and that policies created within the NDP carry as much weight as policies created by B&NES or West of England Unitary Authority".

Deb Cooper, NDP Coordinator added: "This means it is an exciting time for the Neighbourhood Development Plan, as the Topic Groups are spending the next few months creating Planning Policies that relate to areas of community interest and concern. These policies form the content backbone of the NDP, and it is vital that these policies are powerful, effective and give us the voice that our community needs within the Planning Policy Framework".

The Town Council, in conjunction with B&NES, set up 2 workshop evenings to help Topic Group members write properly structured planning policies. The workshops were useful and helped give a broader perspective on how our policies sit within a bigger picture. Each Group is currently meeting on a monthly basis.

SOME MORE CONSULTATION

There are some specific areas of consultation that we will be following up on over the next few months. Firstly, we launched the Keynsham Neighbourhood Development Plan Survey on Green Spaces, Recreational Facilities and Play areas on Thursday 31st May at the Children's Play Day in Memorial Park. We are asking the youngest of Keynsham residents what they think of their local play areas and how they like to use the park. This questionnaire will also be distributed to local primary schools, so that we can get a broad spectrum of answers. There is also a questionnaire aimed at High School students and adults, which will ask more questions about how people spend their leisure time, and what facilities are needed in our recreation spaces. These responses will be put into a report which will be used to create our policies on Recreation and Leisure. They will also be used as a reference point for the Town Council in future Parks and Green Spaces plans.

Other consultations to follow in the next few months will be the Keynsham Young People's survey, which will investigate how our young people see our town, and how they want it to develop in the future. We will also be working on the Keynsham Local Transport Survey; this will look at how people get around within Keynsham, and how we might implement improvements going forward.

ANNUAL REPORT 2017/2018

CHAIR REPORT: CLIVE FRICKER, CHAIRMAN, KEYNSHAM TOWN COUNCIL

There has been lots of activity since our last Annual Report. This has been a record year for local groups such as Keynsham Music Festival Association (KMFA) and Keynsham In Bloom (KIB). KMFA,

now an independent charity supported by the Council, delivered a fabulous week of music and KIB delivered a gold award in the South West in Bloom competition and an amazing decorated 'bike trail' to delight young and old alike. Other local groups such as The Wombles have again contributed to what makes Keynsham a very special town. Other events in 2017 involved our Twinning Association and St John's Church. In July the mayor of our twin town, Libourne, officially named a room in our new centre as the 'Libourne Lounge'. In November we celebrated our annual 'Winter Festival' and in December, St John's Church was the venue for a Christmas Tree Festival. Keynsham's Neighbourhood Development Plan enters its last full year before completion. In addition to transport, heritage, recreation

and environment on 7th February we launched the 5th and final group dedicated to business and economic growth. A packed meeting at the fabulous Chocolate Quarter saw the formation of a new business network. In partnership with the Keynsham Town Council (KTC) and B&NES, businesses in our town will be invited to join the network for business support and networking for years to come. The powerful spirit we exhibit as a community has once again been demonstrated. A recent increase in antisocial behaviour prompted KTC to arrange a public meeting on 22nd February. Several organisations including the Police, B&NES and churches addressed the meeting and newly formed group 'Keynsham Community Spirit' outlined their plans for a coordinated response. KTC will support the new group over the coming months as well as seeking an expansion of CCTV in areas of concern.

JOINT ARTS: LISA O'BRIEN, CHAIR, JOINT ARTS COMMITTEE

The Joint Arts Committee is a multi representative committee which works to assist the development of arts in all its forms in Keynsham. During this year, we have

overseen an enlarged and enlivened programme on the Bandstand over both Saturday and Sunday through the summer. Our audiences have increased overall, as too the range of music and dance performed. We were able to welcome back many established brass bands but also present alternative musical genres and activities geared towards younger people. Arts activity in Keynsham seems to broaden annually. Our now established 'Arts Space' group have gained more members and 'popped up' a number of times during the year at different venues. The range of performances at The Space, overseen by the Keynsham Arts Consortium, has increased, with classical music, poetry and drama all playing to larger and larger audiences. On a different front, the Joint Arts committee has inaugurated the introduction of poster art at the railway station – initially featuring vintage railway posters but moving on to the distinctive images of the Clock Tower. We intend that these poster frames will continue to be updated a number of times during the year, welcoming visitors and residents alike to our town. For those of you who wondered what had happened to the 'Timeline Project' depicting Keynsham's historic past through some tremendous artwork by our schools – fear not! The timeline will take its place in the newly refurbished Riverside centre so that it can be easily seen and admired by all. Here's to another great year in Arts Development in Keynsham.

WINTER FESTIVAL: JUDITH CRON, CHAIR, WINTER FESTIVAL

The woodland themed, Keynsham Winter Festival, was a wonderful family evening, which was enjoyed by residents and visitors alike. There was a lovely atmosphere and the weather was very

kind to us with no wind or rain. The attractions and stalls ran along the length of the High Street and into Temple Street. There was something for everyone with attractions and activities at St.

John's Church, The Fear Institute, the Key Centre and the Methodist and Baptist Churches. Also there was an exciting range of entertainment at The Space, the Library and on the live stage. The procession this year was enjoyed by children wearing masks depicting wolves, rabbits and foxes all embracing the woodland theme. Workshops run by volunteers, helped the children create a range of masks and fairy wings, which looked wonderful on the night, along with lanterns to light the way. The procession was led by a woodland decorated Chuffy the Train, which carried Father Christmas and competition prize winners. Retailers and businesses also entered in the spirit of the woodland theme with marvellous window displays. We look forward to seeing you at our next Winter Festival in November.

PLANNING & DEVELOPMENT: CLIVE FRICKER, CHAIR, PLANNING COMMITTEE

As a background to the Keynsham Neighbourhood Development Plan events have been moving forward with West Country Space and Transport Planning and a revision of B&NES Core Strategy all of which requires careful involvement and local monitoring. With new development pending in North Keynsham, the Committee is determined to ensure the necessary infrastructure is in place prior to development taking place. With regard planning applications in Keynsham between the period of April 2017 and the end of February 2018 our Committee has considered 155 applications. This is a reduction of eleven applications on the same period in 2016 – 17. However, due to continued pressure to build

new houses the Committee has increased the number of site visits where applications are contentious. One application was deemed as permitted development by B&NES not requiring a decision. The Committee also considered 15 tree notifications that were usually referred to B&NES arboricultural staff for resolution. Currently, 24 applications are pending final decision by B&NES and over the year 11 applications were withdrawn after our Committee made its decision to object. In total the Committee objected to 44 of the 155 applications that were considered and 91 % of the Town Council's decisions agreed with the decision reached in finality by B&NES Development Management.

ALLOTMENTS: CAROLE DUCKETT, CHAIR, ALLOTMENTS COMMITTEE

As usual it has been a pleasure to chair the meetings of the Town Council allotments committee, where business is conducted in a friendly way - thanks also to Dawn Drury,

Deputy Town Clerk. In Keynsham I feel we are privileged to have allotments capable of producing so many vegetables - after all - there is nothing quite like home grown produce! Members of the public wanting an allotment do not seem to have to wait too long - if oversubscribed a short waiting list is created. I was invited and attended the AGM of the allotments committee, where the current chair retired after several years in the position. I thank him for his dedication.

GRANTS: DAVE BIDDLESTON, CHAIR, GRANTS COMMITTEE

Once again it has been a real pleasure to highlight the incredible work of our local volunteer organisations. In 2017 the Town Council were very happy to provide

£20,000.00 in general grants and £4,999.00 in arts grants from its budget. This year, nine more than the previous year applied and the Committee met in June 2017 to consider all of the applications. We were pleased to provide grants to the vast majority of applicants and many community groups were assisted.

NEIGHBOURHOOD DEVELOPMENT PLAN: CLIVE FRICKER, CHAIR, NDP STEERING GROUP

1. Our Neighbourhood Development Plan is making good progress with a target finish mid-2019: Our thanks to members of each of the topic groups that have continued to meet to discuss challenges facing Keynsham over the next 20 years and planning policies to address these issues.
2. A Community consultation was issued in November for all who live or work in Keynsham to find out what issues are important to local people and to ensure the topic groups address these key issues.
3. A further significant finding was the lack of an effective business network for Keynsham. Consequently in February the Town Council launched at the Chocolate Quarter a new Business Forum alongside the NDP Business Group. The focus of this new Forum will be to work in partnership with all businesses in our town to assist them in achieving their objectives. Meanwhile the NDP Business Group will ensure the concerns of the business community are included in the NDP covering development for the next twenty years. A consultation paper on the future of business in Keynsham was issued to all businesses in March.
4. The issue of a one-way High Street has come up in many topic group meetings over the last year. Members of NDP topic groups were consequently invited to a workshop with B&NES to further explore their views on this core transport issue.
5. Finally work has continued with B&NES, English Heritage and their consultants on producing a design guide for High Street shop fronts. This will assist in building a quality environment to support the shopping experience in Keynsham.

It's not too late for anyone in Keynsham to contribute to our neighbourhood development plan. Please contact coordinator Deb Cooper email: ndp@keynsham-tc.gov.uk

YOUTH SERVICES

This year the Youth Service has been operating a wider range of activities over 4 sessions per week at TimeOut including ASDAN accredited Cookability on Mondays, Open Access on Tuesdays and Thursdays and a Project night on Wednesdays. There have also been trips to Bristol Zoo, Basement Studio (Music StudioB) and Flip Out (Trampolining). During the latter half of the year, Tuesday Music and Thursday Arts themed sessions have been conducted upstairs from Open Access, often with the help of specialist providers such as Basement Studio (music) and Priormade (arts). TimeOut members completed an award-winning community artwork installation at Keynsham Railway Station with help from

Priormade & Keynsham in Bloom and supported by Severnside Community Rail partnership & ACORP. Wednesday Projects this year have included CPR, painting bikes for the Keynsham in Bloom Great Bike Trail and a course on employability skills. An animation project is currently in progress. Cookability participants visited our local Waitrose to learn about a supermarket's role in the food industry and their six-month course culminated in production of a delicious four course dinner for invited guests. The latter half of the year has also seen the launch of the pilot Outreach project with youth workers visiting specific areas in Keynsham on Tuesday and Friday evenings to engage with groups of young people. Following the Town Council anti-social behaviour meeting in February, the team is now working with Keynsham Community Spirit. This is part of the co-ordinated Keynsham response by residents, community & church groups and other authorities to local problems.

COMMUNITY ACTION NEEDED TO SAVE LAND AND PROTECT RARE SPECIES OF PLANT

A piece of land on the corner of Bath Hill and Fox & Hounds Lane has had a temporary reprieve from being sold by the owner B&NES. Following intervention by Keynsham Town Council at an extraordinary meeting on 2nd May, B&NES withdrew the land from auction. They have given the people of Keynsham a further 6 months to put together a viable proposal and community organisation to take ownership of the land (for £1.00)

Undisturbed for nearly 50 years the land now supports a wide range of flora and fauna and includes the recent discovery of a rare plant species. Historically, it was part of the orchard garden of the previous Fox & Hounds pub and was subsequently maintained as a nature reserve by a community association of local residents.

The campaign to save the land has been organised

by local resident Margaret Maxwell. An appeal has now been launched for volunteers to help form a new community association and secure a permanent future for the land as a green space for Keynsham residents.

If you can help with this project please email: waitthere91@gmail.com

Keynsham and District Mencap Society

Celebrating

40 years
local
mencap
society

**A huge thank you to all who have supported us.
You have enabled us to provide great opportunities for
adults and children with learning disabilities
for the last 40 years!**

KEYNSHAM AND DISTRICT MENCAP SET TO EXPAND THEIR OFFERING

Keynsham and District Mencap Society will mark their 40th anniversary this year by hosting a big party to celebrate this milestone and will also officially launch their new buildings appeal to the wider community.

The Society was launched in April 1978 by a group of parents frustrated about the lack of provision for their children who were affected by various learning disabilities. The society now runs 10 different projects, offering its members (from 5 to 65 years) a broad range of opportunities in order to expand their prospects,

adopt healthy lifestyles and provide vital friendship and social experiences. It is keen to continue to develop its services for existing and future members so that their improved confidence can maximise their capability to enjoy a meaningful role in the community.

Laura Jefferies, Operations Manager, said: "Building on essential life skills, introducing more varied activities to our programme and increasing our support is in the forefront of everything we do. We enable our members to further develop the tools needed to become more self-sufficient and broaden their horizons. We are proud to say that a number of our adult members now have the confidence to live independently in supported housing, work in employed or voluntary positions and enjoy meaningful relationships."

Fundraiser, Amanda Leonard said: "This year, the society is celebrating 40 years and to mark the occasion, they will be hosting a grand celebration event at the Keynsham Rugby Club. The event will be held on Saturday 16th June 2018 between 1pm and 6pm."

9 CLOTHIER ROAD, BRISLINGTON, BRISTOL, BS4 5PS

ST. MONICA TRUST

St Monica Trust is launching the ACE Neighbours project in Keynsham and is looking for friendly and enthusiastic volunteers over the age of 60 to join them. They are also asking those in our community to get in touch if an older person is experiencing loneliness and is lacking in confidence to get out and about.

We know that getting out more, meeting people and enjoying some of the many activities that go on in Keynsham is really good for the health of older people – but getting out more is easier said than done. It can be a bit daunting, so not surprisingly most people would prefer to have someone to go with.

The project aims to reduce feelings of loneliness by encouraging older people to be more active - whether it's going for a walk, going out for a coffee or trying a new activity. Those who take part in the project are matched with an older volunteer - they spend the first few weeks getting to each other and then together they try out some of the activities going on in Keynsham.

Volunteers accompany people to activities until they feel confident attending on their own. The project also arranges group meetings so that people can support each other and make friends in their journey to becoming more active!

If you know someone who lives in Keynsham, is over 65 years old and would like someone to help them choose an activity or two – and go along with them for moral support – then get in touch.

ACE Neighbours volunteer Ann Clifford told us why she originally chose to get involved: "It was great to feel that I was making a difference to someone's life. I had great fun, learnt lots of new things and took part in many activities I wouldn't have thought of doing."

Further information including the referral criteria and how to apply to be a volunteer can be found here:

www.linkagenetwork.org.uk/projects/ace-neighbours/

For any queries or to talk more about the project please contact Catherine (Mondays to Wednesdays) on 0781 763 2963 or email: catherine.robinson@stmonicatrust.org.uk

St Monica Trust

- Do you live in Keynsham?
- Are you aged 65 years+?
- Would you like to get out of the house and involved in fun local activities?

... Then the ACE Neighbours project could be just the thing!

"As a volunteer I have had to persevere because in the community, there is a stigma to being... and had that!"

"I don't have any anxiety about joining in, but that has made a difference!"

ACE Neighbours

We will match you with a volunteer of a similar age who will help you decide what you want to do and accompany you on the first few visits.

If you would like to take part or get involved as a volunteer please contact us for a full information pack: email: catherine.robinson@stmonicatrust.org.uk call/text: 0781 763 963

CHOOSING THE RIGHT CARE

It is never an easy decision when you're faced with the reality that your parent is going to need more care than you can provide, where do you turn when you know that a retirement or nursing home is the easiest solution, but you're not sure if it's the best one?

If you're in the dilemma of what route to take, remember that there are a lot of resources open to you and that the Council and other services, such as your GP, can provide you with advice. If you've looked at all your options and have decided that a care home is the best route for you, you're in luck, there are several providers in the area, so you can find a site that best suits your parents' needs and personality.

If you're still not sure what to do for the best, here are a few benefits of transitioning into residential care.

While it is important to acknowledge that there have been horror stories, and some places will not be suitable for your parent, it is also important to remember that nursing homes are an amazing way to make sure that your family is being cared for and getting the service they deserve. They offer several opportunities to give your loved ones the most comfortable life they can while taking out the stress of their on-going care.

Firstly, nursing homes offer an active social life to their residents, many older people find themselves falling into loneliness after the death or hospitalisation of spouses, friends and neighbours and can run into difficulty if living alone. Care homes offer a wide calendar of social events including classes, entertainment and just plain old time to sit and chat to each other. Residents can become friends with their peers and constant socialisation can keep many health problems at bay.

Charlene Fleck, manager of Abbeyfield Bristol and Keynsham's newly refurbished house in Keynsham, said: "Many people still aren't aware of all the options for accommodation as they get older and

it can be confusing. Some people still believe that the choice is to either buy a retirement flat or wait to go into a care home. We believe we provide a wonderful alternative: it's the next best thing to living in your own home".

Part of the worldwide Abbeyfield Society, Abbeyfield Bristol & Keynsham has 5 gorgeous houses in the Bristol area: offering flats to rent to older people. The affordable fees are inclusive of utility bills, including council tax, and delicious home-cooked meals so residents don't have to worry about shopping, cooking or even, admin.

"So many residents tell us how they really started to live again when they came to us", continues Charlene, "Not only do they enjoy themselves without the worry of running a house, but they make new friends and get to know a whole new community".

Being in a care home, rather than remaining at home, means that your parents will get the help they need with daily tasks, such as housekeeping, as their laundry services will be taken care of, as will the cleaning and sterilisation of their living environments. For people who have difficulties with dressing, eating, bathing and other tasks we take for granted, there are trained staff on hand to help out where needed without taking the independence and dignity from your loved ones.

There are also staff on hand who can help with the distribution of medicines, with the onset of age and the likelihood of developing health conditions, it is always a worry to leave elderly relatives in charge of medication, particularly if they have multiple prescriptions for various different problems. Staff will make sure that they are taking the right medication at the right time in the right amounts, leaving you less stressed and them less likely to fall ill. Many care homes also have specialised healthcare for various conditions and can provide a level of care that goes beyond what you can do alone.

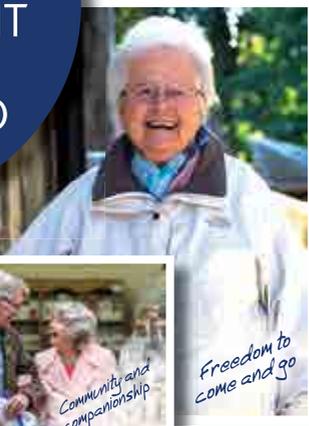

An important benefit of moving into a care home, whether this is the traditional idea of residential home or serviced apartments, is that they are safe. Both residential retirement complexes and care homes are monitored by staff who can make sure that residents are able to quickly get help if they need it and is particularly beneficial to those with

conditions such as dementia. It would give you the peace of mind that they will be secure, no longer will you be worried about them locking their doors, wondering off and getting lost or becoming victims of door to door sales scams.

Abbeyfield Bristol and Keynsham have five houses in the local area, which are in Keynsham, Hanham, Redland, Henleaze and Easter Compton. To find out more, call the friendly team in the office today on 0117 973 6997. For more information about services for the elderly, contact the Council.

All nursing homes are regularly monitored and reported on and these reports are available to view by members of the public, so you can make sure that you are getting the right level of care for your loved one. Don't forget though, if you have made the decision that residential care is the right route for you, to visit the homes and research their facilities to make sure it is the best place for your loved ones.

REMEMBERING THE FLOOD

This year sees the 50th anniversary of the Great Flood of 1968. Whilst those who lived through the disaster will never forget it, there are many in the town who do not know about the event, because either they are too young or have come to the area since then.

Keynsham & Saltford Local History Society is leading a project to create a permanent memorial so that future generations will be aware of what happened and the impact it had.

The memorial will be sited in Keynsham Memorial Park and will have the ancient County Bridge Stone, familiar to older residents of the town as "The Abbot's Chair", as its centre-piece, together with an engraved plaque. Construction will take place in June and the plaque will be unveiled in a ceremony on 10th July, the date of the flood.

Keynsham Town Council is supporting the project and staff from both the Archaeology and Parks departments at Bath & North East Somerset Council are also involved. The Local History Society is responsible for raising the necessary funds and their public appeal to raise £5,000 is still open: a donation form can be downloaded from the Society's website www.keysalthist.org.uk or collected from the Keynsham Town Council Offices on Temple Street.

1968 FLOODS 50TH ANNIVERSARY **COMMEMORATION EVENTS**

Communities along the Chew Valley and Keynsham are busy planning events to remember the Great Flood of 1968. Please put these dates in your diary and come along. Please also get in touch if you have a date to publicise or can contribute any material or help in any other way:

WERE YOU THERE?

Were you in or around Keynsham and the Chew Valley the night the Great Flood washed away the Old County Bridge and devastated the Memorial Park and the Dapps Hill area in Keynsham 50 years ago? May we record your memories on 'tape' to contribute to this event and help to build the Great Flood archive? If so, please contact librarian June Wentland: 01225 477073, June_Wentland@bathnes.gov.uk

BRIDGE ACROSS THE FLOOD

Saturday 30 June, 5pm | Keynsham Bandstand
FREE with donation collection

POPPY UPDATE

To mark the 100th anniversary of the end of The Great War Keynsham Town Council & Keynsham in Bloom will be creating a Knitted Poppy Cascade that will be installed at St. John's Church in Keynsham in November.

The local community have been asked to knit poppies for the project and the response has been fantastic with over 5000 already having been submitted. There are still a few months to go and it's not yet time to down needles; project organisers are hoping to get to 12,000 poppies so that the two smaller towers at the church can be decorated in time for Remembrance Sunday.

There will be several workshops where volunteers will be needed to attach poppies to the rigging that will be used to display the poppies.

If you would like to knit some poppies for the cascade or be involved in the workshops you can find out all about the project and download a knitting pattern from www.keynsham-tc.gov.uk or call 0117 9868683. Knitting patterns and wool are also available from the Town Council office.

KEYNSHAM MUSIC FESTIVAL

Who would have thought that Keynsham could be the place to have a night at the Opera? It's going to be this year, and with a number of other highlights too, the 2018 Music Festival is shaping up to be another "amazing week of music", as it says on the poster.

OPERA IN THE PARK:

On Thursday 28th of June, La Boheme will be performed in English by the Opera in a Box Company who impressed the Keynsham Festival audience with operatic highlights last summer.

The production will take place in the Top Marquee in The Park, at the Festival, completely under cover and with ticketed seats for around 300. There will be refreshments and a bar and tickets are now selling well, at £15 standard and £10 student plus booking fee.

Opera is expensive and the Festival organisers hope that this venture will be supported by the Keynsham public and that this is a real opportunity for those who have not experienced live opera before to enjoy it in Keynsham.

Tickets for all ticketed Festival events are available from Keynsham Tickets (www.keynshamtickets.cloudvenue.co.uk).

BRIDGE ACROSS THE FLOOD

As part of the period of commemoration of the 50th anniversary of the 1968 flooding of Keynsham, particularly the Chew valley and The Park, Keynsham Music Festival is presenting a revival of the community musical written by the community in the years following the flood:

The musical will be performed by a specially formed community choir of adults and young people and musicians on the Bandstand Stage at 5pm on Saturday 30th June. The performance will conclude with a spectacular demonstration of just how far the flood water level reached in 1968.

The musical was first performed about ten years after The Flood—we now think it was 1974 or 1985: the clue is on the poster.

The Festival thanks Councillor Dave Biddleston and Steve Drew for their work in putting the performance together, and Richard Jackson who has arranged the music from the original scores.

This is a free community event and is going to be something that will be remembered! More detail and graphics at www.keynshammusicfestival.co.uk

The Festival is hugely grateful for the time and commitment given to this event, and the sponsorship that helps to make it all possible: full details on Festival website.

FRIDAY NIGHT SWING

Currently Festival plans are also under way for what might prove to be a spectacular 50th Anniversary commemoration of the 1968 floods in Keynsham on Saturday 30th June in The Park – watch out for details.

Other Festival highlights this summer will include Jazz Extravaganza at St. Monica on Wednesday 27th June, and full swing band jive dance on Friday 29th in The Park.

Experience a great band and great music: a party atmosphere for all ages in The Park and all under cover. You don't have to be nervous about the dances and steps - we will have tutors on hand to make sure everybody can jive the night away! Bar, food and fun, tickets £10.

You can dress up for this one! Use it as the first port of call before heading into town, it will be a night to remember.

FOR FULL DETAILS OF ALL FESTIVAL EVENTS AND PERFORMERS SEE

www.keynshammusicfestival.co.uk

SATURDAY FOLK IN THE PARK

Another great line up of folk and acoustic music throughout the afternoon and evening in the Abbey Stage marquee.

There will be a short break at 5 so you wont miss anything on the Bandstand Stage at that time.

Keynsham Music Festival's folk day has a growing reputation and this year includes some top local performers including Will Lawson, Maaikie Siegerist from Holland, and ending the evening with FolkLaw performing some of the most lively jigs and reels in UK folk-rock.

The Folk Performance Stage runs from 1pm till 10pm and is free!

One of the best Saturdays of entertainment of the year in Keynsham—and there will be some Morris dancers around of course!

WALKERS ARE WELCOME

Sunday 10th May was ideal walking weather so, as expected, there was a big turnout for this month's walk. Almost 30 people met at the Memorial Park cafe where, with Dawn Drury in charge, we set off along the River Chew towards Albert Mill. As with all our walks we had some new faces amongst the group including a family of four.

Along the way we were treated to an abundance of wildlife, including our first sighting this year of a family of mallards. It didn't seem too long before we reached our destination of Burnett Woods. The reason for the walk was to see the bluebells in bloom and we weren't disappointed, with the whole woods being carpeted with the flower. From Chewton Place we crossed over the river and headed back on the eastern side arriving into Keynsham via the Steel Mills at exactly 12:30pm. Everyone, as usual, enjoyed the 2-and-a-half-hour walk.

Just £49*:

COMMUNITY SPIRIT TEAM

The Keynsham Community Spirit Team have been hosting monthly, on-going meetings with the Police, ASB Team, Town Council, B&NES, KeynshamNow Youth, Churches Together, Schools and other agencies.

We are focusing on our young people and identifying where needs are not being effectively understood and met.

Our prime aim is to work alongside existing groups and agencies to facilitate a pathway of ideas/projects that can gradually build a positive outcome benefiting us all.

We would like to invite anyone who feels they can support this project to come forward and join those members of our community who have

already offered some very positive ideas and actions.

We all want our young people to feel they have a voice and are a valued part of our community.

Please contact us via email:
Keynshamcommunityspirit@hotmail.com

We can make a difference when we work together.

The Police do ask that all incidents are reported to them either via 101 or online as this helps them build up an accurate picture of hotspots, types of offences, potential offenders as well as those who are vulnerable.

YOUTH SERVICE UPDATE

Keynsham Town Council Youth Service operates TimeOut youth centre open access and project youth club sessions. All sessions offer young people opportunities to achieve accreditation and learn new skills whilst promoting positive health and wellbeing. The Youth Service also undertake detached work in the community, focused in the areas of Memorial Park, High Street, Queen's Road and Tintagel. Our new weekly activities are detailed below - please note some activities are now on different days than previously.

TUESDAY

TIMEOUT COOKABILITY PROJECT 7PM – 9.30PM - Members only, new members welcomed.

From healthy meals, tastes from around the world and technical skill challenges, this session offers young people an opportunity to learn new skills and gain ASDAN accreditation – Foodwise.

This quarter has seen the group tackle technical challenges with sushi and croissants, think creatively to create a main meal for under £1 using store cupboard ingredients and make home

favourites such as mac 'n' cheese. Limited to 10 young people.

**TIMEOUT MUSIC OPEN STUDIO
7PM – 9.30PM - Members only**

An open session for experienced young musicians and young people who are interested in playing instruments. Limited time 30minutes per young person/band. Max group size 5.

WEDNESDAY

**TIMEOUT PROJECT NIGHT 7PM – 9.30PM
Members only, new members welcomed**

Wednesday Project night has just completed a stop motion animation project with Priormade. This project taught young people industry techniques and skills in puppetry, how to use animation programmes to frame and bring them to life. The next projects running are an Arts project with glass painting and design, followed by a Film Project.

DETACHED 7PM – 9.30PM

Around Keynsham
Youth workers are out in Keynsham on foot in Tintagel, Queen's Road and Memorial Park/High Street. They offer information and advice to young people and are looking to engage them in positive activities in their communities and empower them to make change.

THURSDAY

TIMEOUT OPEN ACCESS
7PM – 9.30PM
New members welcomed

Timeout open access sessions host a variety of activities from issue-based work to arts and crafts. This quarter we have been supported by local charity organisation Golden Oldies, donating scrap materials and objects to enable us to carry out fashion activities. Their most recent donation to the youth centre allowed young people to learn skills in Tie-Dying, which was a great success!

The youth work team have been delivering work

covering mental health and disabilities that affect the five senses. Coming up we have some summer sports and outdoor photography sessions in June.

FRIDAY

DETACHED 4.30PM – 7PM

Around Keynsham
The Friday detached session is focusing on the parks for the summer with planning in progress for outside sports, games and activities. Join us from 4.30-5.30 in Memorial Park and 6-7pm in Kelston Road Park.

AWARD FOR KEYNSHAM TALKING NEWSPAPER'S FOUNDER

Keynsham Town Council have awarded the 2018 Keynsham Good Citizen Award to Mary Burnard for her work with the Keynsham Talking Newspaper (KTN).

In her official role as Listener Liaison Officer, Mary reaches out to potential listeners by contacting nursing and retirement homes, giving talks and interviews; she was recently interviewed on Keynsham Town Community Radio.

She has been a regular reader for the service since it began and continues to be an integral member of the team, answering listener questions, explaining how the service works, posting out recordings and helping with the office rota.

Mary founded the Talking Newspaper in 1983 when, along with some other volunteers who wanted visually impaired people in the area to have better access to local news, she raised enough money to buy a microphone, cassette recorder, tape duplicator and some cassette tapes. Weekly recordings would take place around kitchen tables at volunteers' houses and tapes would be sent out to listeners via post.

Over the last 35 years the KTN has grown into a much bigger organisation with over 50 regular volunteers and hundreds of listeners. Recordings now take place in the KTNs very own studio in Saltford and are distributed on memory stick.

To find out more about the Keynsham Talking Newspaper, including volunteering opportunities or how to sign up to the service, visit www.ktn.org.uk or call 0117 299 3021.

For further info contact Max at Bath Mind 01225 316199

KEYNSHAM IN BLOOM

As usual, summer is going to be extremely busy for the Keynsham in Bloom team.

Scarecrow Trail

So far we have had 19 entries. We would love to have as many scarecrows as possible on our trail and we hope it will be as successful as our Floral Bike Trail. Entry forms can still be collected from the Town Council Office in Temple Street. This is a great opportunity for local traders, particularly along the High Street, to take part and create a small scarecrow display in their shop window. Closing date for entries is 19th June.

Children's Scarecrow Colouring Competition

We've already had some colourful Scarecrow posters but there is still lots of time to pop along to the Town Council Office and pick up yours. We will be presenting prizes and certificates at the Farmer's Market on Saturday 14th July.

Poppy Cascade

Regular meetings are being held between ourselves and Keynsham Royal British Legion. At our last meeting we were joined by Grenville Jones, well known founder of the Goldies Charity, the Sing&Smile sessions and of course the Goldies Shop. He is leading on a primary schools WWI project and has joined our team in planning some very special commemorative events in Keynsham

commencing Monday 5th November. Grenville updated us on his schools singing project, where years 4 and 5 pupils will be learning WWI medleys and performing them at a special concert at St Johns Church on Friday 9th November. Full details of the Goldies schools project can be found on www.ourmemories.org.uk.

5,400 poppies and counting, we estimate we will need as many poppies again to create the poppy cascade. The first of several workshops is being planned towards the end of June, and will take place during the day, evenings and weekends. A number of people who have knitted poppies have said they would like help with putting the cascade together. It's going to be a mammoth task, so as the saying goes - "Many hands make light work".

10 Year Anniversary of Keynsham in Bloom - Floral Art Festival

We are holding a Floral Art Festival to celebrate 10 wonderful years of Keynsham in Bloom at the Keynsham Victoria Methodist Church. The Art Festival will be open to exhibitors irrespective of where they live and the Church will be open for public viewing on Friday 13th and Saturday 14th July. There will be flower demonstrations on both days, this will be an opportunity for people to brush up on their flower arranging skills. Also to meet members of the local floral arranging clubs. We would like to thank Ruth Hutchings for coordinating and advising us on this event. Application forms, together with rules and regulations are available from Keynsham Town Council Offices, 15-17 Temple Street, BS31 1HF.
