WELCOME TO KEYNSHAM NEWS

This is the last KTC newsletter before the next local election on Thursday 2 May. May I take this opportunity to record my thanks to fellow Councillors and staff who have helped make the last four years a period of real progress for Keynsham. Town Councillors are all volunteers who invariably contribute a great deal of their own time for the good of the community. They are supported by an excellent team of Council staff professionally led by our Town Clerk, and her able Deputy, in delivering a value for money service. We look forward to seeing you in The Space at our Annual Town Meeting on 25 April when we will be pleased to explore events in more detail and take any questions.

This will be another exciting year in Keynsham. Our Music Festival, in the first week of July, and later in the year, our Winter Festival will be bigger and better than ever. The Bandstand in the Memorial Park is being prepared for the new season of excellent weekend concerts and planning is underway for a new season of gold standard Keynsham in Bloom. Our Business Forum continues to expand its partnership with the business community and further public meetings will be held on the train service and the proposed expansion of Bristol Airport. Our Neighbourhood Development Plan will also be completed this year; it will be a key document in the future of our town for many years to come.

Despite the tight squeeze on local government finance we will continue to support Keynsham's local community groups, that help make our Town a special place to live and work in so many ways, with our annual grant awards.

The amazing Chocolate Quarter and a galvanised Temple Street are two indicators of a great future for Keynsham. We welcome our new residents and your Council is determined that the Town will continue to be one where impressive urban growth is matched with real compassion and care for all people in our community.

Kindest regards and enjoy the Summer.

KEYNSHAM BUSINESS FORUM

The Keynsham Business Forum is going from strength to strength with just under 300 large and small businesses, Keynsham retailers, contractors and sole traders signed up as members.

Our programme of 2019 meetings kicked off in February when we were joined by Rachel Sweet, of Cool Ventures, who ran a brilliant workshop on how to 'Win New Customers'.

Topics covered at past quarterly meetings have included GDPR, Social Media, Marketing Made Easy and 'Plastic Free' business practice. The forum has also welcomed B&NES Business Team and speakers from Business West who have explained the skills support and assistance that they can offer to the business community in Keynsham.

Later in 2019, will see the publication of the first Keynsham Business Directory which will be delivered to every household in Keynsham. All Business Forum members will be given a FREE

entry in this directory.

If you have a business or are a sole practitioner and would like to be included in the upcoming Keynsham Business Directory and receive invitations to attend future Business Forum events, then please contact Dawn Drury, Deputy Town Clerk, on 0117 9868683, or email deputytownclerk@Keynsham-tc.gov.uk

NEIGHBOURHOOD DEVELOPMENT PLAN UPDATE

It seems a long time ago since the original community event in April 2016 that started the Keynsham Neighbourhood Development Plan.

This is by far one of the biggest projects the Town Council has undertaken - most importantly because the Plan must be formulated by the people who live and work in Keynsham, not the Town Council itself, if it is to be approved by the Inspector.

Many people have already contributed their views by attending meetings of the 5 topic groups and/or completing the Residents' survey as to how they want to see Keynsham develop in the face of such rapid housing expansion. Preserving its heritage and identity as a market town between Bristol and Bath is of particular importance.

Transport infrastructure (or lack thereof), provision of community facilities and recreational spaces, and shop front design in the High Street are just some of the issues that are already being incorporated into the Plan. Perhaps you may have other concerns that you think should be included?

As the NDP enters its third and final year, work is continuing on putting together the main document containing the planning policies that will influence the future development of Keynsham.

Although Deb Cooper, the NDP Co-ordinator has now left the Council, she will be continuing to work on a voluntary basis helping the 5 Topic Groups complete the Planning Policies.

Later in the year a series of workshops and forums will be held for all residents to have input into the emerging plan before a final draft is ready for consultation.

Before this however, the NDP will be continuing throughout the spring and summer to seek your opinions with surveys on Recreational Spaces and Play Areas together with the survey specifically for Young People to have their say on how they want Keynsham to develop in future.

If anyone would like to contribute to the NDP please contact Dawn Drury or Cheryl Scott on ndp@keynsham-tc.gov.uk or ring the Town Council offices on 0117 986 8683.

KEYNSHAM CEMETERY

Keynsham Town Council became the Burial Authority for Keynsham Cemetery in 1996 taking over from the former Wansdyke District Council. The Cemetery is situated in Bristol Road, Durley Hill, Keynsham and is a peaceful and attractive resting place to serve the residents of Keynsham. The Town Council aim to offer a sympathetic service to the bereaved and deal with enquiries from the public, funeral directors and monumental masons.

The layout is designed to offer a range of interment choices, such as lawn plots, traditional (kerb) plots, coffin burials, caskets of ashes and scattering of ashes in the Garden of Remembrance. A new Memorial Garden was established in Spring 2015 which provides approximately 80 casket plots (2 caskets per plot) which is proving to be very popular with bereaved families. A polished black or dark grey desk tablet which can include a flower holder can be purchased from a Memorial Mason and placed on the plot.

There is a listed building Chapel available to hire for services. The cemetery is open to the public weekdays and weekends. An attendant is usually

on duty Monday to Thursday, 8.30 am – 4.30 pm and 4pm on Fridays.

Registers of grave spaces and burials and a plan of the Cemetery are available to view at the office of the Town Council, 15-17 Temple Street, Keynsham, Bristol BS31 1HF. For further information, contact the Town Council office on 0117 9868683 or visit the Town Council website: www.keynsham-tc.gov.uk

SAFETY TESTING OF HEADSTONES

Annual safety testing of headstones takes place at the Cemetery in the spring and testing conforms to nationally agreed standards and is in line with the Faculty issued by the Chancellor of the Diocese of Bath and Wells. Newly erected memorials and existing headstones will be tested. The testing involves a visual inspection, followed by a trained member of staff standing at one side of the headstone and placing a hand on top of the stone, applying a firm (not severe) pressure to ensure the headstone is safe. Anyone who has any queries or concerns regarding the procedure, please contact the Town Council Office: 0117 9868683.

PLAY AREAS/RECREATION IN KEYNSHAM

Calling all children in Keynsham. Where do you like to go to play and what do you do when you get there? What type of facilities would you like to see in the future? Do you like the traditional swings, slides and roundabouts or would you prefer to see something more adventurous or themed like a pirate ship? Would you prefer a BMX track, climbing wall, outdoor gym or maybe you have other suggestions?

Keynsham Town Council is responsible for 7 play areas in Keynsham:

- Manor Road
- Kelston Park
- Teviot Road
- Park Road
- Downfields
- Upper and Lower Memorial Park

The Town Council is conducting a review of all play areas, with a view to developing a programme of refurbishment or replacement of the equipment, but cannot do this until it has heard from the children about what they want to see and where.

The Town Council will be contacting all Keynsham children during the spring to ask them for their views. Primary school children will have their own special questionnaire on play areas, whilst all adults and senior school students will have a more substantial survey on all aspects of recreational space in Keynsham.

Come along and meet the team at our Skate Park Community Event in Keynsham Memorial Park on Saturday 20th April from 10.00am to 4pm. Keep an eye out for more information about the event on the Town Council website and social media channels.

FESTIVAL CELEBRATES TWO SEMINAL 60s ALBUMS

KEYNSHAM MUSIC FESTIVAL 2019 1ST - 7TH JULY

It's 50 years since the release of both the Beatles' Abbey Road and that Keynsham record! Was 1969 a good year for music?

Abbey Road will be performed live in its entirety, at The Space on Monday the 1st July, to open a week of music throughout the town. The performance by both professional and local musicians will give a real insight to what it might have been like had The Beatles ever played their album "live". Tickets for this event will be on sale soon and will sell out quickly – keep your eyes on the Keynsham Tickets site, or the Festival Facebook page and website to ensure you get one.

Gaetano Donizetti's masterpiece, The Elixir of Love, will be performed in English, in Keynsham Memorial Park on Thursday 4th July. The comic love story of Nemorino and Adina is one of the most frequently performed and popular operas in the world. Tickets are already available, and with last year's opera (the first full classical opera ever to be performed in Keynsham) being a complete sell out, make sure you obtain tickets soon. There is a concession for students and the Festival would love to see a good quota of younger people at the performance which is a rare chance to experience opera in an entirely accessible way for all.

Full details of this year's other very special Festival event should be available by the middle of March but do keep Wednesday 3rd July free in your diary!

The Festival will once again be hosting Jazz in B Block down at the Chocolate Quarter. Following the success of last year's 'complete sell out' evening, we're looking at the possibility of having performances on two nights, which will showcase a whole range of Jazz styles.

There will be a spread of music in various venues across the town every night of Festival Week, including The Ship Inn and Grounded. On the Friday, Grenville Jones will be hosting his Choir show in St. John's Church and the Memorial Park will be the venue for what is becoming the annual Big Band Swing Dance, with authentic costumes to match.

The Festival weekend looks like it's going to be bigger than ever. We are very excited to be working with the Children's World Charity to bring a new 'Family Festival' that will run alongside, the now well-established, Folk Festival Saturday: there will be world renowned entertainers and activities specifically designed for the whole family coming straight from the Glastonbury Festival Circus and Theatre areas. Additionally, there will be a team coming into the Park for demonstrations and displays of BMX skills and daring escapades to thrill everybody. All this against the backdrop of a full day's musical programme, culminating in The Keynsham Orchestra performing their now mandatory evening concert in the Top Marquee on Saturday evening.

With Keynsham's reputation for hosting high quality music performance growing all the time, Festival Sunday promises to be packed full of music with four stages ranging from the hardest rock to dance – full line ups will be announced soon.

You can keep up to date with event details and tickets on the festival website, ticketing website and by following the official Festival Facebook Page and The Space Facebook page:

COMEDY CLUB AT THE SPACE

Keynsham's Comedy Club has run now been running for over a year on a, roughly, monthly basis at The Space.

The comedy nights have proved to be extremely popular, typically reaching almost full capacity, with a large proportion of the audience coming from out of town for a night of top-quality adult entertainment in Keynsham.

The club is organised by comedian Andy Askins, himself a successful stand-up performer (see <https://comedystoremanagement.com/agency/andy-askins>), and his wife Julie who is usually the compère. There are always three professional, stand-up comedians. Many having performed on mainstream TV shows such Live at the Apollo.

The Comedy Club is helping to put Keynsham on the map, making the town a regular Friday night destination in what is perhaps an unexpected way. If you haven't experienced live stand-up comedy before, now is the time to join many others and take advantage of these exciting evenings on in our town and see in person artists who may well become the next big thing.

The next Comedy Club is on April 12th and features Rob Mullholland, Scott Bennett and Chris McCausland (Live at the Apollo). Following dates are May 10th, July 5th, September 6th, October 4th, and November 1st.

LOUISA BAKER & ETHAN JOHNS TO PERFORM IN KEYNSHAM FOR 'RECORD STORE DAY'

National Record Store Day (April 13th) will be marked by a whole day of music on Temple Street, Keynsham.

Keynsham singer/songwriter, Louisa Maria Baker, will perform a solo concert in The Space as part of a tour that will take her across the UK and Spain to promote her upcoming single 'Reality', which is released on March 1st.

'Digame LouLou' is Louisa's new solo project, which launched in January with a guest appearance at the Music Expo UK in Bristol.

Born and bred in Keynsham, she is best known for her role as lead vocalist and guitarist in the Anglo-Australian rock trio 'Tequila Mockingbyrd' and can often be seen busking outside Lloyds pharmacy on Keynsham High Street.

Louisa will be returning to The Space where she opened for Razorlight at their album launch during their UK tour in October of last year.

LIKE A BROKEN RECORD

As part of the National Record Store celebrations, Keynsham's award-winning Longwell Records, are hoping to enter the Guinness Book of Records when musician Ethan Johns (son of esteemed record producer Glyn Johns) performs in-store. The gig in the Temple Street store will form part of a national bid to break the most public in-store appearances in one day!

Healthwatch Bath and North East Somerset are looking for new volunteers

Healthwatch can shape and improve local health and social care services for the future but we need volunteers to find out what people think works well and how they would like to see care improved. Healthwatch Bath and North East Somerset is all about people power. We listen to people's experiences and opinions of using local healthcare services. We tell providers what people think and how they can improve, based on what local people say they want and need.

Volunteers can represent Healthwatch at health and social care meetings and boards or help staff information stands at venues such as local hospitals

and GP surgeries, visit and talk to local community groups and attend big community events to find out what local people want and need from their local health care services. Healthwatch volunteers can also be trained to 'enter and view' health and care services to observe the service and make recommendations to help make the service better.

CALLING ALL KEYNSHAM RESIDENTS

YOUR VOICE MATTERS TO US

Have you got the X Factor? Do you know someone who does?

Do you have something to say?

LOCAL ELECTIONS THURSDAY 2ND MAY 2019

Keynsham Town Council is actively involved in representing and supporting the local community in a wide variety of ways. Whether it is providing local facilities such as the play areas, Manor Road football pitches and the Cemetery, organising events such as the Winter Festival or making representation to the Authorities on Planning and Development proposals for our ever-expanding Town, the work of the Council is dependent upon two groups of people

- A) Its Elected Councillors
- B) YOU, the Keynsham Residents

WHAT DOES THE TOWN COUNCIL DO?

- Acts as a local democratic voice for all its residents
- Works in partnership with other statutory and voluntary bodies, groups, agencies and individuals to meet the needs of the community
- Conducts its business openly and democratically
- Consults with the community on issues important to Keynsham

HOW IS THAT OF RELEVANCE TO YOU?

Every year Residents pay a proportion of their Council Tax to Keynsham Town Council to represent their views and provide services for the community.

Although many things are decided by B&NES, the Town Council works in partnership with B&NES to ensure your views at community level are consulted and acted upon. After all, as people who actually live and work in the Town, you know your community best!

Is there something that you feel strongly about that either isn't happening at the moment in Keynsham or perhaps it is, but requires improvement?

MAKE A CHANGE. BECOME A TOWN COUNCILLOR.

Town Councillors are elected for a four-year term. On May 2nd this year, a whole new Council will be elected until May 2024. If you have an interest in improving your local community and helping others who live in the Town, why not consider standing for election?

There are 15 Councillor vacancies spread evenly between the Town's 3 Wards: Keynsham East, Keynsham South and Keynsham North.

Nomination papers must be
submitted by 4pm on
Wednesday 3rd April 2019

WHAT DOES A COUNCILLOR DO?

The Councillor's role and responsibilities include:

- serving the community
- representing local people
- working with others including the Unitary Authority B&NES
- talking to the community about what the Council is doing
- preparing for and attending meetings
- developing strategies and plans
- making policy
- decision making or reviewing decisions
- representing the Council on other organisations

If this sounds a bit daunting, don't worry. An induction/training day has already been organised for all Members of the new Council that will take place after the elections on Saturday 11th May prior to the first Meeting of the Council on Tuesday 15th May.

HOW MUCH TIME DOES IT TAKE UP?

- There is a monthly Council meeting on Tuesday evenings at 7.30pm.
- The Council also has several Committees that meet regularly including Winter Festival, Planning & Development, and Arts which Councillors can be appointed to if they wish.
- There may be briefing sessions with B&NES on matters important to Keynsham and Councillors are also invited to attend local events.
- Finally, there is the important part of communicating with individual residents on specific matters via phone, emails or face to face.

How much time you spend on your duties as a Councillor is entirely up to you and will depend on the particular commitments you wish to take on.

CAN ANYONE STAND?

You don't need any educational qualification, nor do you need to be a member of a political party as you can stand as an Independent candidate. However, you do have to meet certain criteria as set out in s79 of the Local Government Act (1972).

On the day of nomination and the day of poll, you must:

1. Be at least 18 years old
2. Be a British Citizen, an eligible Commonwealth citizen or a citizen of any other member state of the European union, and
3. Meet at least one of the following four qualifications:

a. Your name must appear on the Electoral Register for one of the 3 Keynsham Wards at the time of your nomination and throughout your term of office (4 years) should you be elected.

b. You have occupied any land or other premises as owner or tenant in one of the 3 Keynsham Wards during 12 months before the day of your nomination and the day of election.

c. Your main or only place of work (does not have to be paid employment) during the 12 months prior to the day of your nomination and the day of election has been in the Keynsham Ward area.

d. You have lived in Keynsham Ward area or within three miles of it during 12 months before the day of your nomination and the day of election.

You may be disqualified as a candidate if:

- You are employed by Keynsham Town Council.
- You have been declared bankrupt in the last five years and not repaid your debts.
- You have been convicted of a criminal offence and sentenced to at least three months imprisonment (including any suspended sentence) within the previous five years.
- You are disqualified due to corrupt practices under the Representation of the People Act 1983 or the Audit Commission Act.

Here are some examples from the last 4 years of how Keynsham Town Councillors have listened to your views and acted upon them.

KEYNSHAM TOWN COUNCIL TO FUND CCTV TO ACCOMPANY SKATE PARK LIGHTING IN MEMORIAL PARK

Keynsham Town Council has approved the installation of CCTV and extra lighting in Memorial Park. The decision comes following concern from local residents about the increase in anti-social behaviour incidents.

The Town Council has agreed to use £14,500 of Community Infrastructure Levy funds (a tariff paid by developers that are building new homes in the town) to fund the installation of a CCTV camera by B&NES in the upper area of the park, to cover the multi-use sports courts, skate park, café and the lane leading to the park from the High Street. Some of the money will also go towards CCTV in the Queens Road/Tintagel area.

The installation is subject to agreement by Bath & North East Somerset Council (B&NES) to include the new cameras in their live monitoring system which will cover the rest of the town's CCTV network currently being installed.

B&NES has now also agreed to install additional CCTV down at the Bandstand, which has been vandalised on more than one occasion over the past twelve months, including a bin fire which caused the current damage to the roof. This new development means that the Town Council was able to deploy the insurance money to repair the roof using the same material when a reinforced alternative, which would affect the acoustics, would have a significantly higher cost.

In conjunction with the new CCTV installation, the Town Council has also finally received approval from B&NES to install solar powered, smart lighting to illuminate the skate park after dark. Young people who use the facility have been campaigning for Skate Park lighting since 2012 and whilst there are some concerns that increased lighting may also increase anti-social behaviour in the area, the Town Council has received reassurances from young residents that they will self-police their activities in the area. The scheme will see three, 4m high, LED lamp columns installed, which will stay on between 3pm and 9pm and will power down to 30% when no movement is sensed. The smart, low-level lighting was chosen to reduce unnecessary light pollution in the area.

SINGLE USE PLASTICS POLICY

In November 2018, the Town Council approved a Single Use Plastics Policy which is detailed below. At the time of going to press, the Town Council will be meeting to consider

how best to implement the policy and how it can work more widely with residents, community organisations, businesses and B&NES to contribute to making Keynsham a plastics-free Town.

SINGLE-USE PLASTICS POLICY

Keynsham Town Council is committed to environmental protection, including supporting the circular economy, preventing pollution arising from our activities and embedding best practices for corporate sustainability.

Single-use plastics, or disposable plastics, are typically used only once before they are thrown away or recycled. These items include plastic bags, straws, coffee stirrers, soda and water bottles, plastic cups and most food packaging. Reducing single-use plastics is something Keynsham Residents have told us they expect and value. Keynsham Town Council recognises that poorly managed waste plastics pose a threat to the global marine environment, and also to our Town. Therefore, the Town Council will work towards minimising use of single-use plastics across its own operations and services and pro-actively work with the local community, businesses and B&NES to find positive solutions for reducing unnecessary waste plastics across the Town. The Town Council is responsible for this policy. All employees and Councillors share responsibility for its delivery. To support Keynsham becoming a single-use, plastics-free Town, The Town Council has set out a number of commitments:

KEYNSHAM TOWN COUNCIL WILL:

- i. Measure and audit our use of single-use plastics and set achievable but early targets to eliminate their use across all Town Council operations
- ii. Develop a Sustainable Procurement policy
- iii. Where the use of plastics is unavoidable, buy/use recycled plastics where practicable
- iv. Work with Keynsham Community

- Organisations, Residents, Businesses, our own contractors and suppliers, B&NES and any other identified partners/stakeholders to encourage them to take practical steps to reduce the use of plastic and the production of plastic waste
- v. Require all Organisations requesting financial support from the Town Council to provide details of their own arrangements and policies to eliminate single use plastics in Keynsham
- vi. We will seek and encourage innovative recycling opportunities for plastic waste and the elimination of single-use plastics at Town Council sponsored events such as the Keynsham Music Festival and Keynsham Winter Festival
- vii. Support and encourage community initiatives to remove plastic waste and litter from Keynsham
- viii. Promote behaviours that reduce reliance on plastics, particularly encouraging the use of tap water over bottled water and the reduction of plastic packaging waste
- ix. Share information about plastic free initiatives, to residents, businesses, visitors and beyond through the Council's social media and communication channels
- x. Work to embed these commitments into events guidance, the sustainable procurement policy, and any other relevant council strategies, policies and plans.
- xi. Use government legislation that regulates against the use of single-use plastics to support our efforts where we can
- xii. Work in partnership with B&NES, our suppliers, the community and other relevant stakeholders to meet these policy objectives.

NIFTY KNITTERS MAKE HUNDREDS OF HATS FOR AGE UK B&NES TO HELP FIGHT LONELINESS

Nifty knitter Wendy Long wowed staff at Age UK B&NES when she handed over more than 230 little hats that she and her sister Carol had knitted for the charity's Big Knit campaign.

Every year Age UK B&NES ask people to make tiny woollen hats which are put on top of Innocent Smoothie bottles. For every bottle sold in B&NES the charity receives 25p which is used to help end loneliness in older people in our community. The charity has been given a

target of 6,000 hats to donate and is calling on everyone to get knitting and help out.

Janet Dabbs, Age UK B&NES CEO says: "We're so grateful to Wendy for producing so many hats. We are now asking everyone in B&NES to help us knit as many miniature hats as possible to help us hit our target."

"Money raised from the hats will go towards our Day Centres, befriending service and clubs and classes."

From basic pom-pom hats, to dinosaurs, pineapples and even unicorns, you can find the patterns at www.ageuk.org.uk/bathandnortheast Somerset

Completed hats can be dropped off at Hawthorn Court, Hawthorn Lane in Keynsham on Tuesdays, Wednesdays and Fridays between 10.30am and 2.30pm. They can also be left at 18 Kingsmead Square, Bath, BA1 2AE or delivered in person Monday-Friday 9.30am-3.30pm.

For more information about services, clubs and classes available to older people in Keynsham, call 01225 466135 or email reception@ageukbanes.co.uk
