

R G MacFarlane

CWGC - MIDSHIPMAN ROBERT CRAIG MACFARLANE

Royal Navy

H.M.S. "Hawke."

Died 15 October 1914

Buried or commemorated at

[CHATHAM NAVAL MEMORIAL 1.](#)

United Kingdom

Notes - Midshipman MacFarlane drowned when HMS "Hawke" was torpedoed in the North Sea.

The cruiser was torpedoed, and sank in about five minutes. The survivors had escaped in an over-crowded boat, but nothing could be done to save those floating in the water with cork jackets or on rafts.
