### 2. DECLARATIONS OF INTEREST

To receive any Declarations of Interest under Keynsham Town Council's Code of Conduct (adopted on 16<sup>th</sup> April 2019) issued in accordance with the Localism Act 2011 and The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012, SI No. 1464 and as per Standing Order 3(v).

### 3. DISPENSATIONS

In accordance with Standing Order 13, to consider any requests for dispensations (for disclosable pecuniary interests) prior to the item(s) being discussed, that Members may only become aware of during the meeting itself and to receive any disclosures of decisions as per item 7 of Keynsham Town Council's Dispensations Policy and Procedure Guide.

#### **RECOMMENDATION:**

*To receive requests for dispensations (for disclosable pecuniary interests) prior to an individual item(s) being discussed, that Members may only become aware of during the meeting itself.*

### 4. RECORD OF PREVIOUS MEETINGS

#### **RECOMMENDATION:**

*That the Minutes of the Environment and Sustainability Committee meeting held on Monday 16<sup>th</sup> June 2022 (previously circulated) be confirmed as a true record and signed by the Chairman.*

### 5. PROPOSED ECO FESTIVAL – 14<sup>TH</sup>/15<sup>TH</sup> OCTOBER

#### **RECOMMENDED:**

*To receive any updates and information from Ros Durrant (CTKS).*

6. CONNECTING CYCLE AND FOOTPATHS (CROSS COUNTY BORDERS)

*RECOMMENDED:*

*To receive verbal updates in respect of this matter.*

7. KEYNSHAM TOWN COUNCIL ENVIRONMENT AND SUSTAINABILITY PROJECT PLAN

*RECOMMENDED:*

*To receive a verbal update on the Project Plan.*

8. WOODLAND TRUST TREE ORDERS

*RECOMMENDED:*

*To note that a pack of 105 hedgerow saplings have been ordered from Woodland Trust for installation along the edge of Fox and Hounds Lane conservation area.*

9. TREE PLANTING

*RECOMMENDED:*

*To receive and consider the request from a Keynsham Resident below: -*

‘I am a Keynsham resident and I live in Lockingwell Road. I would like to raise the idea of making improvements to the Downfield/Cleeve Grove Playground and surrounding green. The playground itself is becoming increasingly dated and could do with a sprucing up but there is a lot of potential to improve the green space surrounding the playground in terms of biodiversity. I would really encourage the planting of trees in this area as well as other vegetation such as shrubs and perhaps some wildflower beds to encourage wildlife, bees and insects. This area is very popular with local residents, and I often see dozens of parents and children using the playground facilities after school and at the weekends. It would be great to see this space transformed to benefit residents who visit this area and from an environmental perspective to be more sustainable and encourage wildlife. I look forward to hearing your views on this’.

10. SEED GIVE AWAY

*RECOMMENDED:*

*To note that 4 packets of wildflower seeds have been purchased. Two to be divided into envelopes for the free seed giveaway at the Eco Festival and the other two to be donated to Wellsway for the wildflower meadow.*

## 11. QUEEN'S JUBILEE CANOPY – PROPOSED COMMUNITY CHRISTMAS TREE

### **RECOMMENDED:**

*To note that quotes have been sought for the Community Christmas tree (reviewed by EATH Committee) and Officers are undertaking more enquiries from the companies that have quoted, in respect of delivery arrangements to the allocated position in the Memorial Park.*

## 12. HEDGEHOGS R US HIGHWAY PROJECT

### **RECOMMENDED:**

- (i) *To note that 100 hedgehog highways have been purchased by the Town Council for giveaway at the Eco Festival.*
- (ii) *To decide whether this will be given away by the Avon Wildlife Group or the Town Council.*

## 13. NATURAL ENVIRONMENT INVESTMENT READINESS FUND (NEIRF)

### **RECOMMENDED:**

- (i) *To note that a representative of BART has been invited to attend the September meeting of the E & S Committee.*

## 14. BANES COUNCIL PARKS POLLINATOR CAMPAIGN

To note that Keynsham Town Council has been promoting B&NES pollinator campaign. This campaign focuses on everyone playing their part, whether they have the teeniest of spaces on their balcony or want to really get their hands dirty. The Urban Garden, their CIC (Community Interest Company) who are running the little garden centre in Royal Victoria Park are now actively helping drive this forward, giving away wildflower seeds along with little buzzing stickers at their checkout. Neighbourhood Nature Areas are springing up and their volunteer sessions are gaining more members.

These signs are already starting to appear in around Keynsham on verges

## 15. GO GREEN WIDCOMBE AND WECA SOLAR TOGETHER SCHEME

### **RECOMMENDED:**

- (i) To receive and note the information below.*
- (ii) To decide on any course of action, possibly joining with Keynsham Community Energy in respect of such a project.*

The Go Green Widcombe group organised the selection and promotion of a group-buy solar scheme for homeowners in their area. Here is a link to a recording of a meeting the group held online recently [link to the recording](#).

Go Green Widcombe organised their own group-buy following some detailed research and being inspired by what other communities had done.

The Chew Valley Forum working group have been investigating options to do the same – temporarily hampered by the capacity and demand pressures that the solar installers are under at the moment. They are looking at running a group-buy scheme for their residents, once the solar companies are in a position to accept new areas. To manage their capacity, IDDEA have expanded the catchment area that they agreed with Go Green Widcombe and there is a possibility of this extending to Keynsham and Saltford area. It is suggested that going through Steve Cross to get an introduction to IDDEA.

The WECA Solar Together scheme was a pilot and depending on how that goes, will decide if there is another round of that. Solar Together has also been affected by supply chain issues which has delayed the installations so the expected decision whether to rerun it, or not will also be delayed.

All of the above relates to those homeowners who are in a position to finance their own installation. The B&NES Council's grant schemes for households on low incomes are district wide – subject to the specific funding criteria around energy efficiency rating or whether there is mains gas heating in.

## 16. NATURE CHAIN

Philippa has suggested taking a look at the links below with a view to this being a project that this Committee may wish to instigate.

<https://www.winsley.org.uk/local-information/nature-chain-2>

### **RECOMMENDED:**

- (i) That the information is received and noted*

- (ii) *That the Committee decide if this is project that they may like to take forward.*

## 17. DATE OF NEXT MEETING

### *RECOMMENDED:*

To note that the next Consultation of this Committee will be held on THURSDAY 27<sup>th</sup> SEPTEMBER 2022 at 6.00 p.m. possibly at the Baptist Church (TBC).
