IN ATTENDANCE: Dawn Drury – Town Clerk

NOT PRESENT: Cllr J Wallcroft

189. APOLOGIES FOR ABSENCE

Cllrs A Sinclair, A Halliday and A McGuinness

190. DECLARATIONS OF INTEREST

Declarations of Interest were received from:

- *Cllrs A Beaumont, C Brennan and A Wait in respect of KeynshamNow.*
- *Cllrs holding position of Director or Membership of KMFA Limited.*
- *Cllr Brian Simmons as Chairman of Keynsham & District Dial-A-Ride.*
- *Cllrs that may have interests relating to matters relating to the Budget item.*
- *B&NES Councillors that are Ward Councillors in respect of matters relating to B&NES.*

191. DISPENSATIONS

There were none.

192. PUBLIC PARTICIPATION

There was one (for part of the meeting) re: agenda item 25 (ii) Keynsham Memorial Park Footbridge.

193. RECORD OF PREVIOUS MEETING

RESOLVED:

That the minutes of the Town Council meeting held on Tuesday 13th December 2022 (previously circulated) be confirmed as a true record and signed by the Chairman.

194. CHAIRMAN'S ANNOUNCEMENTS

The Chair reported the appointment of the Town Council's replacement Responsible Financial Officer, Amanda Hazell, who will be joining the Town Council on 6th February

2023. Amanda is highly experienced as the current Deputy Town Clerk of Midsomer Norton Town Council, who also manages the finances for her current Council and has recently completed her FiLCA qualification. The current RFO leaves the Town Council on 31st January 2023.

Cllrs Wait and MacFie and the Town Clerk were invited to attend the new Two Rivers School on the Hygge Estate for a tour and presentation of the building on 16th January. The Chair reported that he was very impressed with the building's sustainability credentials. It is highly insulated which not only keeps the passive air-controlled building warm, but sound insulated, creating a quiet and cosy environment. The walls are clutter free with no radiators as there is underfloor heating in place. B&NES Council provided an extra £850k funding towards this passive school development.

The Chair reported that he would be opening the Meryton Place Care Home, on Bath Road on 3rd February 2023. This was built by Hamberley Care Homes.

195. QUESTIONS ON NOTICE BY MEMBERS

Cllr H MacFie reported that having read the Saltford Parish Council's request and report to B&NES, for either or both an Area of Great Landscape Value, and a Local Green Space designation to afford better protection from future attempts by Developers to pursue new development within these proposed areas, which are greatly valued by local communities, he would wish to make a proposition that Keynsham Town Council prepare a similar case for land north of the railway line as our town needs to protect our boundaries too.

This matter will be deferred and considered at the next Planning and Development Committee meeting so the next steps in respect of this matter may be decided.

Members were reminded that Keynsham Town Council have always said that there should be no more development brought forward by the Local Authority until the local infrastructure (both utilities and transport) have been improved. Also, whether Keynsham should go along the line of supporting Saltford producing their own AGLV or LGS or both these should be included in the town's Neighbourhood Plan.

196. KEYNSHAMNOW

Amelie from KeynshamNow reported the following:

The group had met with Stephen Rogers from The Week In to discuss social media. They will meet with him further to create an article on mental health issues relating to young people.

The group also discussed mental health with Kevin Guy of B&NES Council.

KeynshamNow have been looking at possible sites for a shelter for young people and initial suggestion put to B&NES Council to include a shelter as part of the Temple Street redevelopment, but this site has already been discounted on highways safety grounds. Other sites considered include within local parks and by the Skate Park in the Memorial Park.

Other matters discussed by the group include lack of streetlights in some areas, should the NHS strike or not and are New Year resolutions worth it.

A suggestion for a future discussion was made as follows: How much do influencers influence young people?

197. WESSEX WATER – ROAD CLOSURE OF THE WELLSWAY – (PRESENTATION BY MEMBERS OF WESSEX WATER).

A presentation was given by Alex Aulds, Project Manager and Paul, Lead Designer of Wessex Water, in respect of the 12-week road closure of a section of the Wellsway to undertake major sewer works to alleviate sewage flooding. The proposal is for a section of the Wellsway from the Cricket Club and the Rock Hill Estate to be closed from the 24th July 2023, this will prohibit vehicular movement along the Wellsway apart from essential access, where required. Wessex Water will work closely with B&NES Council to set up a diversion route that should avoid traffic movements on the local estate roads and rat running through local lanes.

It was suggested that a further presentation be made at the Annual Town Meeting on Thursday 20th April 2023 to allow local residents to receive the same information and to ask any questions.

RESOLVED:

To receive and note a presentation by representatives of Wessex Water.

Cllr Greenfield arrived during this item.

With approval of Town Council item 25 ii, as follows, was brought forward on the agenda to hear from the Project Manager in respect of this matter.

198. KEYNSHAM MEMORIAL PARK FOOTBRIDGE – BRIEFING NOTE DECEMBER 2022

Alisdair Neale, B&NES Council Project Manager, gave a presentation on the replacement Keynsham Memorial Park bridge (by the Bandstand). He informed the Town Council on matters of the project background, current project progress, demolition phasing, the replacement bridge design and phasing and the next step in this project.

The bridge is to be constructed from Fibre Reinforced Polymer.

The work area will be protected by Heras fencing, together with closing off of the Lower Memorial Play Area, as this will be the route to work site for construction vehicles and the closure of the play facility is required for safety reasons. The Fox and Hounds car park is to be used as the mobilisation site. Continued use of the electric charging points will be reviewed by B&NES.

The estimated installation to start in April for a duration of six weeks with the main bridge being put in place in mid-May.

The new bridge design is to be in keeping with the Park surrounds.

RESOLVED:

To receive and note the information.

Note: The Town Clerk to email Alasdair with information of the proposed Bandstand performance dates for 2023 and the date of the Coronation Event.

199. BRISTOL AIRPORT – FUTURE PLANS – PRESENTATION BY JAMES SHEARMAN, JACQUI MILLS AND JAMES COX

This presentation had to be postponed due to one of presenters no longer being able to attend this meeting.

RESOLVED:

That this matter be deferred to a Town Council meeting in either March or April.
